Bake Jones

Vancouver, BC | 123-456-7890 | bjones@example.com | linkedin.com/in/bjones | github.com/bjones

Technical Skills

Languages: Python, JavaScript, C++, TypeScript, Java, Go, Ruby
Libraries/Frameworks: React, Node.js, Django, Flask, Spring Boot, Express, TensorFlow
Developer Tools: Git, Docker, Kubernetes, Jenkins, AWS, Azure, GCP

Work Experiences

Software Engineer Jan 2022 - Present
Tech Solutions Inc.

- Developed and maintained web applications using Django and React.
- Implemented RESTful APIs to support mobile and web clients, enhancing data accessibility.
- Collaborated with cross-functional teams to design and deploy scalable cloud solutions on AWS.
- Optimized application performance, reducing load times by 30% through code refactoring and database indexing.

Backend Developer Intern Jun 2021 - Aug 2021
Moyang Studios

- Assisted in the development of backend services for a popular online game using Java and Spring Boot.
- Implemented new features and fixed bugs in collaboration with senior developers, contributing to a smoother gaming experience.
- Participated in code reviews and team meetings, gaining valuable insights into software development

Personal Projects

Minecraft Plugin | *Java, Spigot API* May 2020 - Jun 2025

- Developed a custom Minecraft plugin that adds new gameplay features and mechanics.
- Implemented event handling and command processing to enhance player interaction.
- Optimized performance to ensure smooth gameplay on multiplayer servers.

Draw.io Clone | *TypeScript, React, Canvas API* Aug 2024 - Sep 2025

- Built a web-based diagramming tool similar to draw.io using React and the Canvas API.
- Implemented features such as drag-and-drop, shape creation, and real-time collaboration.
- Deployed the application using Docker and Kubernetes for scalability.

Cooking Recipe App | *Python, Django, PostgreSQL* Jul 2025 - Sep 2025

- Created a web application for managing and sharing cooking recipes.
- Implemented user authentication, recipe CRUD operations, and search functionality.
- Designed a responsive UI using Bootstrap to ensure usability across devices.

Education

Moyang University Overworld, MC
Bachelor of Science in Computer Science *Sep 2021 - Jun 2025*

Mohoyo College Toyvat, GI
Associate Degree in Information Technology *Sep 2019 - Jun 2021*
